Dear reader,
 We are looking forward to seeing you at the upcoming awards banquet and seminar. This is a perfect time to exchange with peers operating in the credit industry or interested people who want to learn more about credit. The reality of the markets today is increasingly adding pressure on risk management. We have put together an interesting seminar on credit and fraud. Don't miss this! The Credit Institute will honor members by recognizing their accomplishments and development through the organization's program. Come to witness the Atlantic Chapter handing out professional designations. During the banquet, the CIC - Atlantic Chapter will be presenting the AWARDS to members who have completed CIC programs and years of service memberships.
